

NEW CERTIFICATION FOR PEER RECOVERY SPECIALISTS

The Tennessee Department of Mental Health and Substance Abuse Services received a SAMHSA grant for Certified Peer Specialists, now to be called **Certified Peer Recovery Specialists (CPRS)**. This name change:

- signifies the addition of peers who have lived experience with substance use disorders
- introduces the redesign of the program by providing a training curriculum that is co-occurring
- enables peer recovery services that are provided by a CPRS and identified as medically necessary to be reimbursable by TennCare (Tennessee's Medicaid Agency)
